This home is so Adorable, you'll want to come see it this weekend!

With 4 beds, 4 baths, a Finished Basement, 2 1/2 car garage AND a huge yard, this has it all. Come on in and experience the impressive front room with 2-story Vaulted Ceilings. As you make your way through to the kitchen, notice the plush carpet and "on trend" colors.

The Kitchen and Living Room are an open concept and a perfect place for entertaining all of the friends or just snuggling up to the fireplace and reading a good book. With quick access to the backyard, the options are endless for seamless indoor/outdoor living. Especially with the oversized patio, flat home site and HUGE garden area.

Upstairs has a huge Master Bedroom with Vaulted Ceilings, walk in closets and a well suited 5 piece en-suite bath. The Soaking tub alone is noteworthy! Additionally, upstairs find 3 large guest bedrooms and a full bathroom.
